vs. :

A.H. FILE NO.(PR) 94-19

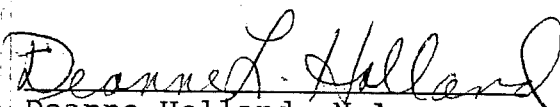

DEANNE HOLLAND, N.A. :

CONSENT AGREEMENT

This matter is before the Department of Health, Division of Professional Regulation, Nursing Assistant Advisory Board, upon matters contained in an Administrative Hearing Notice dated 2 June 1994 issued to Deanne Holland (hereinafter "Respondent"). Specifically, it is alleged that Respondent did engage in conduct which would constitute grounds for disciplinary action, that is, mistreatment of a patient, while working as a nursing assistant at Mowry Avenue Group Home, North Smithfield, RI. This conduct is alleged to have occurred on or about 28 June 1993. Prior to proceeding with the hearing on this matter, it was agreed by and between the parties as follows:

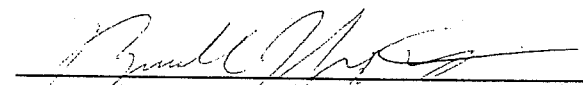

- (1) That this Consent Agreement is entered into without either party admitting or denying the allegations forming the basis for this Consent Agreement.
- (2) That Respondent agrees to a three (3) year suspension of her registration as a nursing assistant in the State of Rhode Island effective April 10, 1994.
- (3) That Respondent agrees that she will not practice as a nursing assistant in the State of Rhode Island during the period of time her registration is suspended.

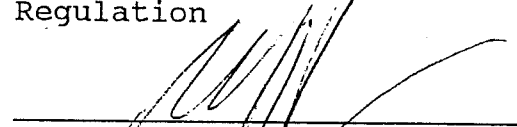

- (4) That at the expiration of the three (3) year period of suspension Respondent may petition the Department for reinstatement of her registration as a Nursing Assistant.
- (5) That in reviewing Respondent's petition for reinstatement, the Department will waive any employment experience or examination requirements and will evaluate said petition without reference to said requirements.
- (6) That should Respondent violate the terms of this Consent Order or any laws, rules, or regulations governing nursing assistants, the Department will initiate action to permanently revoke her registration.
- (7) That this Consent Agreement constitutes a final disposition of the matters forming the basis for this Agreement and obviates the necessity for an Administrative Hearing.
